Product Summary

6mm 10" x 10" LEXAN

Product Description

6 mm (1/4") thick 10" (254mm) x 10" (254mm) standard clear lexan for the IE11C type valve cabinets. The lexan panel will resist impact and is primarily used in high impact areas i.e. gymnasiums or parking garages where breakage may occur.

Engineering Specifications

Wilson & Cousins, **LEXAN 10X10**, 6mm (1/4") thick 10" (254mm) x

10″ (254mm) clear lexan glass.
